Subject:	Java GUI does not yet save CSV of data captured from the Arduino		
Description			
The Processing version has this feature, but is not yet present in the Java version.

- Status changed from *In Progress* to *Feedback*

- Target version changed from *v1.1 Shepard Test Stand - Prototype* to *v2.0 Shepard Test Stand - Prototype*

To accommodate this feature, I've added a preferences panel for configurable items such as the location to save the CSV files.
