<b>Subject:</b>	Assemble Stepper Motor Driver Boards		
<b>Description</b>			
<p>We have three unassembled Linistepper (<a href="http://www.piclist.com/techref/io/stepper/linistep">http://www.piclist.com/techref/io/stepper/linistep</a>) open source stepper motor driver boards. Assembly consists of soldering components to the board and mounting the heat sink of our choice.</p>
