Subject:	Add Mach 30 Branding To Software Interface		

Description

Version 1.1 of the ShepardDCS software says "Shepard Test Stand", but should also include something that shows the Mach 30 brand.

I've committed an initial pass at this, which basically just meant adding in the logos of Shepard, Mach 30, and School Factory. There's definitely more to do though.

FYI - School Factory is an ODE sponsor, not a Shepard Sponsor. We don't need their logo on Shepard UI.

Ha, I don't know how I did that one... they've been removed.

No worries, that's why we have reviews. ;)
